

VISION FLIGHT TRAINING INC.
In collaboration with Dean International Inc.
Accommodation and Transportation Information

Vision Flight Training Inc. has made arrangements with various rental agencies and independent businesses for providing services to its clients. These services include the provision of accommodation and transportation. Vision establishes contracts with the vendors and provides security deposits where required. This ensures that we make adequate preparation for your accommodation and transportation needs during the training period. Decisions of cancellation should be reported promptly to Vision to protect your refunds if applicable and also save unnecessary cost for Vision.

Housing and transportation packages include:

- 1) Furnished room and board facilities are provided. Traditional-style student housing for two students to a room, with shared kitchen and bathroom. Accommodation is inclusive of electricity, water and air conditioning services. Furniture and bed linen is provided. Basic cooking utensils, microwave, cooking range, rice maker, crockery and cutlery are also provided. Common area services have laundry facilities, vending machines and recreational facilities. Accommodations are well situated near shopping and entertainment areas. Living in close proximity to the flight school makes participation in all student activities easier and maximizes learning.
- 2) Transportation is provided to and from flight schools. Timings of service are adjusted based on phase of training being undertaken by the majority of students in a group. Enough flexibility is provided to accommodate students' needs. Individual cabs and taxi service are available at short notice. Costs for independent taxi service will be borne by the student.
- 3) Cable television can be provided at an additional cost. Typical cost of these services for a two bedroom apartment being shared by four students is US\$ 80.00 per month. Per student cost will vary depending on the number of occupants.
- 4) Domestic shared cell phone service is available for US\$ 50.00 per month per student.
